

Guildford Vox Committee Meeting - Summary Minutes - 15/05/19

1. All committee members present, except Sally Gorton, who sent apologies		
2. Chairperson's report		
The end of Spring Term Concert in Holy Trinity Rooms had been a great success, and committee members felt it was worth repeating this format of performance at a future date. For the May Day Sing at St Martha's, we were lucky with the weather and as usual the event was very enjoyable.		
3. Treasurer's Financial Report		
a) Subscription payments from April 2018 to March 2019 had resulted in a profit of £2228.89, which means that there is currently no need to increase subscriptions.		
b) The new account with Metro Bank is now fully operational.		
c) Out of the 84 choir members on roll, only 36 choir members have paid their subs for this term or half term. This is 13 fewer than last term, and the committee would like to encourage more people to pay that way.
